

Work Choice

With the support of one of our Advisers, we will work with you to develop an individual Action Plan that details the steps to achieve your future training or employment goals. The Action Plan will be reviewed on a regular basis with your Adviser and together, we will assess your progress every step of the way.

Work Choice is open to people who want to work, but are facing barriers to employment and need extra support.

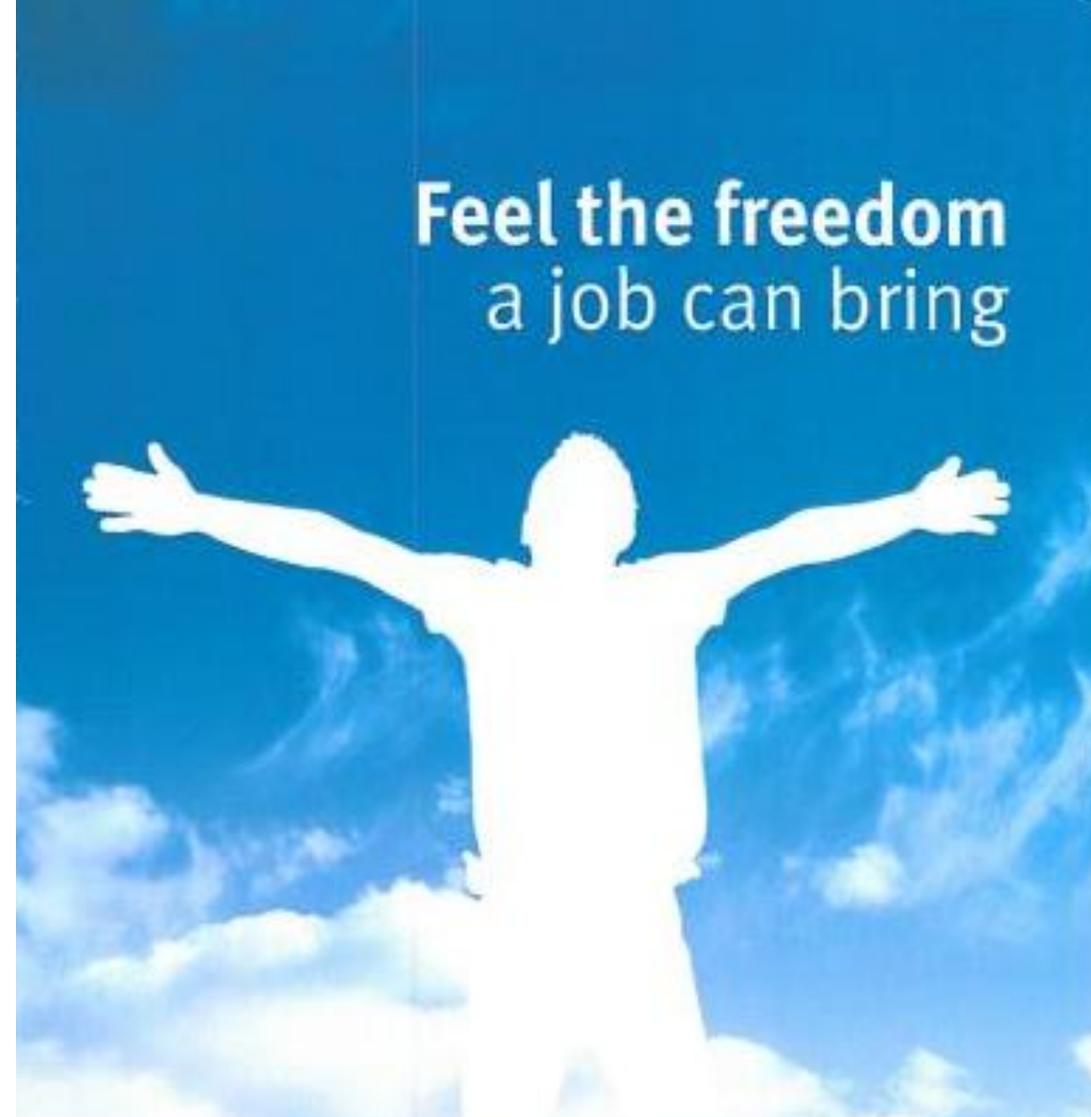

SHAW Trust and ELITE are delivering Work Choice on behalf of the Department for Work and pensions.
